GERALDTON SUNSET.. the perfect cocktail to ease **21**
from hot summer nights into autumnal shades of
colour.

Hits sassy with coconut vodka, feels a little tart with
pineapple and lime and finishes smooth with Geraldton
wax.

14 YUZU HIGHBALL.. bright, bold Japanese citrus grown
here in VIC makes the best party drink mixer.

This local yuzu-hai is full of juicy citrus zest with subtle
banana and pineapple notes splashed with soda to
ultimately refresh you.

2024 CARMÉNÈRE.. a luscious, medium body red wine **16**
born in Bordeaux, now a staple of Chile, and lovingly
grown in Heathcote, VIC.

Deep in colour, smooth in texture, with loads of earthy,
spicy flavour! It flirts between a Cab Sav and a Merlot.
Drinks down well with steak and charcoal grilled goodies!

SHOT OF THE MONTH

13 GOLDEN BICKIE.. sweet golden syrup, scrumptious oats
and creamy coconut

A whisky shot inspired by Australian bickies and cakes.
Tastes like the lovechild of an ANZAC biscuit and a
lamington.
